

# Ageing Well Guide

A directory of services,  
clubs and activities in  
Blaby District

# Introduction

Welcome to the new Ageing Well Guide for Blaby District. Our Ageing Population remains a priority for Blaby District Council. It is our vision that people are able to enjoy happy, healthy and independent lives, feeling involved and valued in their community during later life.

Cllr David Freer – Portfolio Holder for Partnerships & Corporate Services – says:

‘Residents and professionals alike have told us what a valuable resource the Older Persons’ Guide has been and this new edition is bigger than ever. The Council and its partners provide a number of schemes that support our vision for our ageing population. The new Ageing Well Guide includes information about these and the numerous activities that are taking place across our parishes that are all helping in some way to reduce isolation and improve health and wellbeing’.

The first part of this guide provides information about district-wide services that provide help on issues such as health and social care, transport, community safety, money advice and library services. The second part of the guide gives details of clubs and activities taking place in each parish within the district, including GP practices, social or lunch clubs, fitness and exercise classes and special interest or hobby groups.

Blaby District Council has taken care to ensure the information in this booklet is accurate at the time of publication. All information has been provided by third parties and the Council cannot be held responsible for any inaccuracies in the information or any changes that may arise, such as changes to any fees, charges or activities listed. We would recommend that you contact the relevant listed body directly for confirmation or any further details. The Council does not offer any assurances, guarantees or warranties as to the quality of the groups, activities or services listed and any residents using any of the groups, services or activities listed do so entirely at their own risk.

## agewise Blaby District

**agewise** Blaby District is the name of the independent group that replaced the former Blaby District Over 50s Forum.

**Mission:** To act as an information exchange where members have a voice and can influence local decision-makers and the community we live in as well as keep informed about local initiatives and services of interest.

**Aims:** To enable residents of Blaby District to age well with a focus on:

- Staying healthy and independent
- Reducing isolation and loneliness
- Feeling safe at home and in the community
- Enhancing self-esteem and happiness

This will be achieved by promoting a range of opportunities and activities such as: information sharing at meetings, speakers, consultation, campaigns and other communication tools, training and events.

For information about meetings and joining **agewise** Blaby District call **07415 138766**

**Reading Well Books on Prescription** helps you to understand and manage your health and wellbeing using self-help reading. These books provide helpful information and step-by-step self-help techniques for managing a variety of common mental health conditions including depression and anxiety. They are endorsed by health professionals and can be found at your local library.

**Reading Well Books on Prescription for dementia** are books you might find helpful if you have dementia, are caring for someone with dementia or would like to find out more about the condition. They are endorsed by health professionals and can be found at your local library.

**Make Friends with a Book** at libraries around Leicestershire. We read stories and poems out loud and talk about them, there and then. There is no homework, no pressure. Non-reader or keen reader, you sit back and listen, and join in the discussion as much or as little as you like: the choice is yours. There is no charge. Come along, meet new people, unwind and enjoy some time out! See listings for Blaby and Glenfield for more details.
